Learn Mobile Game Development in One Day Using Gamesalad is for anyone who wants to learn how to create their own video games for desktop and mobile devices. While this is an introductory book that assumes you have no previous game development experience, you ll find that once you have completed all of the chapters and exercises, you ll be able to create your own amazing video games from scratch. The book is meant to be used as a learning tool, it s filled with over 35 hands-on exercises and four chapters dedicated to learning how to make four different game types. Once you have completed the book you will already have four mobile ready games created and ready to be customized and published to the Apple App Store! In This Book You Will Learn: What game development is What some of the requirements for a successful game are What Gamesalad is How to create game scenes and levels To create images and animations How to design a game and its rules How to incorporate...
