Destined for Greatness Creative Writing and Publis, United States, 2014. Paperback. Book Condition: New. large type edition. 178 x 111 mm. Language: English . Brand New Book ***** Print on Demand *****.Pocket Knowledge Leadership is a very pivotal topic in today s society. In this book I will look at several key attributes that are essential to a great leader. As a former educator who has watched our classrooms go from no teacher left standing to common core problems with education this all has left Generation Y lacking in the area of leadership. In this book I was challenged to go back and look at some very fundamental ways of becoming a great leader. I wanted to encourage not only the youth of today but those who seek to be leaders in every capacity and stage of life. I want this book to motivate those leaders who have yet to realize their true potential to embrace the leader within. Additionally I want this book to be known as a wakeup call for all the fundamental and foundational attributes that we have gotten away from. This book was also written to challenge a nonverbal society to realize the importance of effective communication. Finally I am confident that these simple yet very critical keys will empower the reader to take the knowledge that they gain from this book and apply it to their everyday lives. POCKET KNOWLEDGE is the key to moving forward and becoming a more effective leader, and after reading this book I guarantee you will be that type of leader! -Denaryle Lovell Williams.
