Real Stories from Baltimore County History (Classic Reprint)

By Isobel Davidson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Real Stories From Baltimore County History In its report to the National Education Association the Committee of Eight on the Study of History in the Elementary Schools, appointed by the American Historical Society, said: Our history teaching in the past has tailed largely because it has not been picturesque enough. If this criticism were justified by the colorless history teaching observed in the presentation of material throughout the grades, doubtless the same truth applies to the teaching of local history, for all too often that which is near and immediate, by virtue of its nearness, loses its romantic quality and becomes prosaic and commonplace fact. It is true that distance does lend a kind of enchantment as well as dignity to what may have been, once upon a time, a commonplace event, but any significant character or event takes on new meaning, may even have a quality of picturesqueness, if placed in its right perspective. Therefore it behooves us to choose such material from out the past experiences of the communities as will interpret the...
