Unique and innovative, captivating to the end. - Mary Osborne, author Episode #2. Where were you when the machine apocalypse began? In the ruins of our world, a new order arose, an order controlled by the very machines humankind created. The end for us came not from a massive global war but from something unthinkable, incomprehensible. The machines simply replaced us and we let them, and so, in the end, humanity went out not with a bang, but with a whimper. No shots fired. No bombs dropped. No cities destroyed. We ended and the machines began-or at least that is what the few human survivors of the machine apocalypse believe.
