

Reading the Bible Wisely: An Introduction to Taking Scripture Seriously

Filesize: 8.52 MB

Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

READING THE BIBLE WISELY: AN INTRODUCTION TO TAKING SCRIPTURE SERIOUSLY

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. Revised ed.. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: What does it mean to take the Bible seriously? This introductory book explores how Scripture itself gives us the resources to read it wisely. First, it looks at the basic questions of reading in context--historical, literary, and theological--and understanding the significance of the two-testament structure of the Christian Bible. Then it looks at how the Bible can itself contribute to shaping a wise doctrine of Scripture. Finally, it considers some of the many hermeneutical perspectives that contribute to reading the Bible wisely. New to this revised edition are chapters addressing the significance of the Old Testament, the performative function of Scripture, and how reading Scripture actually helps form the reader. The aim throughout is to explore key questions critical to the task of reading the Bible generously, constructively, and in a comprehensible way, without oversimplifying core theological issues. Endorsements: Reading and interpreting the Bible is both necessary and challenging. Richard Briggs turns his masterly hand to this and provides an excellent introduction and guide. Writing in an engaging and reflective style, he covers a good deal of ground expertly and accessibly and makes available to the reader his own wisdom and insight. Take Richard as your wise guide in this adventure of faith! -Ian Paul St. John s College, Nottingham Briggs both thinks and writes wisely. He draws deeply on scholarly resources, lucidly synthesizing crucial ideas from a variety of academic sub-disciplines, while nimbly avoiding the academic tendency to become embroiled in technical jargon and remaining alert to the experience of curious believers encountering the Bible. Readers will absorb a great deal of learning and wisdom with astonishingly little effort and will find...
