Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In our modern, often volatile economy, we can no longer expect permanent or long term employment with any one employer. But whatever the label, the process is no easier to deal with--not for the employee whose services are being terminated nor for the organization and executives who initiate the termination. Fortunately, there is a silver lining to all this turbulence, and that is that the concept of career transition is here to stay. Career transition is the process by which the terminating organization assists terminated employees with making the transition and often helps in the search for new employment. Strategic and compassionate career transition services have therefore become part of today s corporate environment. In #SUCCESSFUL CORPORATE LEARNING tweet Book04: Career Transition Training and Services That Work in Today s Environment career transition expert Barbara Safani collaborates with Amazon best-selling author Mitchell Levy to show you how to make the career transition journey a little bit easier. A worthy read for any mid- or senior-level executive who is faced either directly or indirectly with the prospect of downsizing, this little volume packs a punch well above its weight...
