John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, **Soulistry - Artistry of the Soul: Creative Ways to Nurture Your Spirituality**, June Mack Maffin, **Soulistry - Artistry of the Soul: Creative Ways to Nurture Your Spirituality** encourages readers to re-connect with the intangible soul-essence of life and experience rich spiritual growth. Through a series of over 80 inspirational quotations from ordinary and extraordinary human beings around the world living in different centuries along with accompanying Soul-Questions, this creative book challenges, nurtures and nourishes spirituality. In today's culture, more and more people are becoming aware of the importance of balance in their lives: physically (body), intellectually (mind) and spiritually (soul/spirit). There is a growing undefineable awareness that being spiritual is a vital component of being human, not only for those with a religious belief/practice, but also for those for whom there is no discernible connection with organized religion, no acknowledgment of the existence of God/Holy Other/Creator/Higher Power, no awareness or understanding of themselves as having a purpose in life. This unique book encourages readers to realize their creative potential, deepen their awareness of the presence of the holy around them, recognize and celebrate their inner wisdom, and embrace life in new ways.
