BESET: THE PURSUIT OF HAPPINESS IN TIMES OF CRISIS

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. This title is one of the most brutally honest books you ll have the pleasure of reading. A memoir with a difference. I laughed and despaired throughout this book! The true story of a single father who embarks on a personal journey like no other following a slide into emotional and financial crisis. As problems mount, internal chaos grows and his young son s autism worsens, he realises that he himself is his own worst enemy and begins to unearth the true meaning to his life. Set during the global recession, this stirring true story of a father overcoming his demons for the sake of his children and himself will inspire divorcees, single parents and anyone struggling through their own times of crisis. Beset - A modern memoir about an enlightening journey of self discovery. 99 of this story is true, 1 is outrageous liberty-taking. Although I may only be 99 telling the truth when I say that, I only really remember 1 of what happened. - Lee Daniel Bullen.
