Thames & Hudson Ltd. Hardback. Book Condition: new. BRAND NEW, Abzzzz.: A Bedtime Alphabet, Isabel Minhos Martins, Yara Kono, From A is for Awake to Zzzz. this whimsical interactive ABC book helps children wind down before bed and fall asleep. Prompts to ask one final question, encouragement to say goodbye to the sun, and details about animals and their sleep habits make this an engaging and useful book that kids will ask for again and again. Each page features a different letter of the alphabet: on some nights kids will make it all the way to Yaren where Naru children are beginning their day instead of ending it, while on other nights they will nod off at Hibernate. Young readers learn and, more importantly, doze off, making this a particularly covetable title for children and parents alike."
