Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Queechy, Vol. 1 of 2 A man s hat in his hand never did him any harm, says the proverb. If the author were to come before the English public with a figurative obeisance, her words might be - Please not to misunderstand me. Queechy enters yet more than The Wide, Wide World into the phases of American life - the ups and downs, the struggles, the reverses which chequer the moral surface of this new world. But in such parts of the book, let the reader recollect that the writer must make her people talk in character; and that, while she would not wilfully mis-state the truth, on the whole, the reader s discernment must find the thread of it through all the various prejudices, local feelings, old grievances, and new imaginations with which human nature is apt to cover it up.
