

Cornell Lab of Ornithology Waterfowl Id: #3 Sea Ducks & Others

By Kevin J. McGowan, Waterford Press

Waterford Press Ltd. Pamphlet. Book Condition: new. BRAND NEW, Cornell Lab of Ornithology Waterfowl Id: #3 Sea Ducks & Others, Kevin J. McGowan, Waterford Press, Waterfowl can be identified by using information about size, shape, color pattern, markings, behavior, habitat, range and calls. All clues are important, but by far the most important things to concentrate on for this group are shape and patterns of white. This guide features more than 25 species of ducks and includes both silhouettes that emphasize distinctive shape and placement of white, and full color images of both males and females. Sections address behavior, habitat, color patterns and other characteristics important for each species. A portion of the proceeds from the sale of this guide support continued educational activities by The Cornell Lab of Ornithology. Made in the USA.

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and he suggested this ebook to discover.
