Brand New Book ***** Print on Demand *****.Excerpt from **Lines of Religious Inquiry: An Address Delivered to the Unitarian Club of Toronto** Ours is an age of great perplexity and doubt on questions vitally affecting the highest interests and the destiny of Man The first condition of finding truth is that we should honestly and fearlessly seek it. For this we have no other instrument than our reason, for the weakness of which we are not responsible, for its faithful use we are. I express myself with caution, says Bishop Butler, lest I should be mistaken to vilify reason, which is indeed the only faculty we have to judge concerning anything, even Revelation itself, or be misunderstood to assert that a supposed Revelation cannot be proved false from internal characters. Noble words those for a Prelate of the State Church. Whether a Revelation is authentic, whether a miracle is real, reason must be judge. If calmly, carefully, and conscientious applied, it still misleads us, on its Giver the responsibility rests. Our only path of salvation is thorough-going loyalty to truth.
