Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The well-dressed Chinese factory representative confidently escorts a group of financiers into a very modern-looking building in northern China. Among the attendees is one who is less smiling and more alert. His name is not the one on the lapel card, for he is there in place of the person who formerly used that name. One who has no use for name tags now. The representative efficiently escorts his audience through clean and well-organized front offices populated by cheerful, smiling workers. The workers pay strict attention to their computers, only slightly noticing the clutch of foreigners passing through.
