MEANDERINGS IN THOUGHT AND NATURE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.William Heyman grew up in a small town in Central California at a time when the open country was only a short bike ride away, and fruit and nut trees stretched to the horizon. He visited the coast and the Sierra Nevada Mountains often, and developed a great love and appreciation for nature. The great beauty of Yosemite drew him in and he lived there for ten years, hiking the canyons of the valley extensively, and exploring the High Country. In this work, he shares some of his experiences and reflections from life through poems, stories, and insights written over a forty year period. Most of the pictures are originals taken with an old SLR 35mm Nikon FM2 and later digitized. Hopefully, everyone will find something in this collection to inspire them, to meditate upon, to relate to, or to laugh about.
