TALES OF A QUIET MAN

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Tales of a Quiet Man, John Orr, There is something for everyone in this book. John Orr has an imagination that knows no bounds! A collection of short stories that range from the truly grim to the little things that make up all our lives. This book presents a series of cameos that many of us may have experienced and most of us can relate to. Most importantly of all every one of these stories leaves the reader with an emotional response whether that is sadness, happiness, horror, compassion. We can all relate to creating the perfect crime. We all know someone who lavishes love on an animal either because they have no children of their own or have lost a loved one or are suffering from an empty nest. We have all at some time or other called up a being greater than ourselves to help us in times of need, whether we believe in a deity or not.
