

Lessons Learned from Dogs

By David A Dailey

Outskirts Press, United States, 2011. Paperback. Book Condition: New. 272 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.Lessons Learned from Dogs For Immediate Release November 2010 Take time to watch, look, listen and feel your dog. We spend so much time and effort and are dead-set to repeatedly teach our dogs new tricks.

Instinctively canines have abilities that are superior to humans. If we are successful, our dogs will teach us valuable lessons of life.

Canines deserve more credit for having the know-how to environmentalists and be adaptable to the surroundings.

Sometimes a dog knows better than their masters. The author and contributors take humorous, humble, and realistic looks at the six senses of the domestic dog and record dozens of helpful hints and lessons we can learn directly from our pets.

Lessons Learned from Dogs, by David Arthur Francis Dailey, compiles many interesting facts and reveals many secrets about behavior.

He has owned almost a dozen dogs (also horses, cats, turtles, birds, fish, hermit crabs, alligators, rabbits, rodents) during the last fifty years. Because this book is written in a matter-of-fact way, it would be an easy read for adults and sixth graders...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
