Whitman Publishing. 1 Cloth(s), 2012. hard. Book Condition: New. Two years of Allied preparations were put to the ultimate test on D-Day, June 6th, 1944. This book details their meticulous planning, the Normandy invasion, and the tactical operations of the ensuing month. Twenty-four impressive facsimile maps round out this book, giving a multi-faceted view of the Allied plans for the D-Day invasion. Exhaustively researched and bolstered by firsthand accounts, this book is part of a series that traces the U.S. Army's European combat experiences in World War II from Operation Overlord through Germany's surrender, seen not only from the Americans' point of view but also from that of their German adversaries. Each volume can be read separately but also fits within the framework of the series, and features dozens of black and white photographs, glossaries, and other supplemental information; some contain additional pull-out maps printed in color. 519.
