It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Phillip is excited when the Germans invade the small island of Curaao. War has always been a game to him, and hes eager to glimpse it firsthand until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mothers warning about black people: They are different, and they live differently. But by the time the castaways arrive on a small island, Phillips head injury has made him blind and dependent on Timothy. Mr. Taylor has provided an exciting story The idea that all humanity would benefit from this special form of color blindness permeates the whole book The result is a story with a high ethical purpose but no sermon. New York Times Book Review A taut tightly compressed story of endurance and revelation At once barbed and tender, tense and fragile as Timothy would say, outrageous good. Kirkus Reviews Fully realized setting artful, unobtrusive use of dialect the representation of a hauntingly deep love, the poignancy of which is rarely achieved in childrens literature. Publishers Weekly Eloquently underscores the intrinsic brotherhood of man. Booklist This is one of the best survival stories since Robinson Crusoe. The Washington Star A New York Times Best Book of the Year A School Library Journal Best Book of the Year A Horn Book Honor Book An American Library Association Notable Book A Publishers Weekly Childrens Book to Remember A Child...
