## BENEATH THE HEART OF THE SEA: THE SINKING OF THE WHALESHIP ESSEX

Hesperus Press Ltd. Paperback. Book Condition: new. BRAND NEW, Beneath the Heart of the Sea: The Sinking of the Whaleship Essex, Owen Chase, Discover the amazing true story behind the inspiration for Herman Melville's Moby Dick and the new feature film Heart of the Sea. A tragic yet riveting narration of life and death and man against the elements, Beneath the Heart of the Sea is an extreme account of shipwreck survival. On the morning of November 20, 1820, in the Pacific Ocean 2,000 miles from the coast of South America, an enraged sperm whale rammed the Nantucket whaleship Essex. As the boat began to sink, her crew of twenty, including first mate Owen Chase, grabbed what little they could before piling into frail boats and taking to the open seas. So began their four-month ordeal and struggle for survival. A bleak story, only eight men survived having endured starvation and dehydration, giving in to cannibalism, murder and insanity. Owen Chase recorded the extraordinary account in his autobiography, originally published in 1821, which Hesperus is proud to reissue in a stylish new edition. With the Hollywood film Heart of the Sea, directed by Ron Howard and featuring Chris Hemsworth in the role of Owen Chase hitting cinemas in March 2015, readers will be enthralled to discover the intense, original story behind the film.
