This item is printed on demand - Print on Demand Neuware - Essay from the year 2010 in the subject History Europe - Other Countries - Modern Times, Absolutism, Industrialization, grade: A, University CEU San Pablo Madrid, language: English, abstract: While we are generally eager to recognize the importance of medicine and medical discourse in the contemporary world, it is not always easy to connect the history of medicine with the study of anti-Semitism. Indeed, this topic has received relatively little attention from scholars. However, I will argue that a closer look at the anti-Semitic elements of medical discourse is an important and promising enterprise. If we examine the most notorious manifestation of modern anti-Semitism, the Shoah, we can easily see that it was at least partially prepared and justified by the authority of medical science. In contemporary post-modern world, academics and laymen alike often question the objectivity of science and its ability to coherently explain the world, but for the late 19th and early 20th century Europeans Science was perhaps the highest authority and the main reference point. Accordingly, when the genocide of the Jews was justified scientifically,...
