Brand New Book ***** Print on Demand *****.Excerpt from State and Municipal Government in the United States In spite of the importance and interest of international and national questions of policy and in spite of the rapidly widening sphere of federal legislation and administration the life of an American citizen is affected more often by the agencies of local government than by those of the national government. Under the protection of the Federal Constitution the life and property of the citizen are governed and protected by state, not federal, laws. In his political capacity the citizen takes part in both the federal and the local government in accordance with state regulations. Acting under the state laws are the particular political units in which the citizen may reside - the county, city, or town. To the authorities of these the citizen most frequently looks for governmental support and regulation. Yet these local bodies are distinctly subordinate to and created by the authority of the state and are supervised and regulated by it. It is the purpose of this book to discuss the organization, the distribution...
