I WANT TO SEE JESUS IN A NEW LIGHT: HEALING REFLECTIONS FOR PEOPLE OF ALL FAITHS

Hay House Inc. Paperback. Book Condition: new. BRAND NEW, I Want to See Jesus in a New Light: Healing Reflections for People of All Faiths, Ron Roth, The name and identity of Jesus Christ has been combined with the Christian religion for so long that it is difficult for many people to see Jesus as the sacred individual he was, rather than as the founder of a particular religion. And yet, Ron Roth, Ph.D., author of I Want to See Jesus in a New Light, has believed for quite some time that the message of Jesus of Nazareth is too valuable to humanity to be confined to only those dogmatic interpretations espoused by the various expressions of institutional Christianity -- whether the Roman Catholic or Eastern Orthodox churches, mainline Protestant denominations, or born-again Christian groups. His vision of Jesus transcends all those labels and classifications, with their beliefs and dogma and rules that one must follow. In this book, Ron Roth, provides simple meditations that can provide a doorway for people of all religious backgrounds and dogmatic beliefs to discover Jesus as a great physical and spiritual healer and motivator. Ron's hope is that in reading this book, you will understand Jesus' desire to assist all people on their life journey and that his great mission was and still is to let everyone know that they are one with God and loved by God. This awareness lifts our self-esteem and empowers us to do great things, celebrating our life daily.
