

Iran: The Essential Guide to a Country on the Brink

By Encyclopedia Britannica

Wiley. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.2in. x 5.5in. x 0.7in. On June 24, 2005, after nearly ten years of supporting liberal reform, the people of Iran surprised the world by electing the conservative mayor of Tehran, Mahmoud Ahmadinejad, as their new president. Soon after, the new president announced Iran would restart its uranium enrichment program, drawing international criticism and condemnation from leaders in Europe and the United States. Many observers suspect it is the desire to produce not nuclear energy but nuclear weapons that lies behind Iran's controversial decision. Ever since President George W. Bush described Iran, Iraq, and North Korea as the Axis of Evil, Iran has garnered increased international attention and threatens to become the new focus of European and American foreign policy. Now you can have at your fingertips up-to-date, must-know details on this complex, pivotal country—straight from one of the most trusted sources of information around the globe. The first in a major new series from Encyclopedia Britannica, Iran presents a balanced, sophisticated examination of Iran's social, cultural, and political landscape, past and present. From the constitutional revolution to the hostage crisis to weapons of mass destruction, this thorough guide provides the necessary...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
