GODLESS IN EDEN

Flamingo, UK, 1999. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Available Now. Book Description: A collection of journalism from a topical and entertaining author.: A cornucopia of a book, Godless in Eden brings together a selection of lectures and essays contributed to newspapers, magazines and books over recent years, revised for this volume, and all highly relevant to today. From the changing face of government, the feminisation of politics, life in Tony Blair's godless and un-ideological New Garden of Eden, to whence and whither Feminism via the new cult of Therapism, to our turbulent and benighted royals by way of Roseanne and Jamie Lee Curtis.: A final treat in the final section, Growing Up and Moving On, some wonderfully incisive autobiographical snippets of Weldonian life and times. : Amazon Review: "Since the unemployed appear to be burnt offerings to the stability of our economy," writes Fay Weldon, at the beginning of "The Way We Live Now", ".I think they should be treated with vast respect and allowed to live in peace, dignity and the utmost comfort." The opening salvo sounds the tone of Weldon's Godless in Eden, a collection which establishes her range, and skill, as an essayist. At once engaging and infuriating, political and comic, intimate and public, Weldon's writing bulges with ideas and opinions--from the trials of New Labour to the blindspots of an old dream of feminism, from progress (or demise) of the House of Windsor to the "Age of Therapism" (a veritable hobbyhorse for Weldon). : As a feminist prepared to criticise feminism ("Pity the Poor Men"), Weldon confronts her readers with some of the issues that, for women, refuse to go away, offering a timely reminder to politicians and cultural critics alike. "Feminism has been used as a cloak," she suggests, "under..."
