## TORN

Simon Schuster Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 194 x 130 mm. Language: English . Brand New Book. Read the clues. Decode the science. Reveal the murderer. That s Reilly Steel s mantra. Find the answers, solve the crime. But the Quantico-trained forensic investigator is finding her skills aren t enough when a ferociously intelligent killer strikes Dublin. The modus operandi is as perplexing as it is macabre. What connects the two seemingly disparate, high-profile victims? Their corpses refuse to give up their secrets and the crime scenes prove a forensic investigator s worst nightmare. Reilly soon suspects that she may be dealing with a killer - or killers - who know all about crime scene investigation. The police are just as frustrated by the crimes impenetrable nature and it s only when a third murder occurs - equally graphic and elaborate in its execution - that they discover that this particular killer is using a very specific blueprint for his crimes. Who is the killer s next victim, the real target? And what s his endgame?.
